EDUCATION SERVICE

8 July 2022

Dear John,

Congratulations to you, the governors and all of the staff and pupils of Christ the King Catholic Primary School on an excellent inspection and report.

The report highlights the ongoing care and dedication to ensuring that pupils enjoy coming to school and have access to best teaching and learning in Religious Education. The activities, resources and methods adopted make RE tangible and contributes to pupils' enjoyment and interest. There is a definite strive for excellence in every respect, but of particular note was the relationships fostered with the children and the support afforded to ensure every member of the community flourishes.

Christ the King is a community with Christ at its heart. This is most clearly demonstrated by your partnership with parents and the extraordinary efforts undertaken to respond to families in need. I was privileged to witness first-hand the care and compassion expressed for every member of the community and I have no doubt that your focus on the Common Good will equip pupils with the means to act justly, love tenderly and to walk humbly with God, today and throughout life.

As always it is the quality of leadership, the vision and inspiration of the head and his leadership team, together with governors, that enables a school to ensure pupils receive the best quality of Catholic education.

The report has now been published on the Diocesan website; it is therefore ready for you to share with parents and to publish on your own website.

I know you have given me some feedback already, but I have attached a monitoring form for you to complete and return to me. We want to improve the quality of what we do and any further reflections on the process will help us with that.

With every good wish for a restful summer.

Kind regards,

Nancy Conoboy
