

Enrichment Clubs

We also run a range of short term enrichment clubs for children. These include our choir, student council and a range of sports and arts clubs including the ever popular line Arsenal Doubles! We are planning to introduce more enrichment clubs for your child/ren to join and these will be advertised in the weekly newsletter.

Breakfast Club

Here at Christ the King, we appreciate how important it is to have a good start to the day. Research has shown that eating breakfast has many benefits- we have seen how well our children can concentrate, participate and are active learners when they have eaten well in the morning.

We also recognise that many of our parents are working - and rely on our breakfast club to ensure their child gets the best possible start to the day.

Our breakfast club runs every morning before school from 8-8.40am and costs just £3.00 per child per day.

In addition, we prepare fresh bagels every day and hand them out at the school gates- all children are welcome to have a bagel!

**Breakfast every day.
Bagel bar each morning
On-line Payment.**

**King Club runs every day from 3.30pm – 6pm
(not including school holidays or inset days) and
costs £9.00 per child per day.**

My son always comes back happy, I am also really pleased with the service.
- T- year1

Varied activities and healthy treats. My son is happy!
- R- year 3

My daughter is really enjoying the variety of Arts and Crafts available in After School Club. Its great that she gets to bring the work home too. Thank you to the staff, she's having a great time.
-Parent A- year 1

We provide a safe and caring environment for all children from Early Years to Year 6. All staff working for the King Club also work at CTK School, so they know your children and your children know them. This is one of the reasons why the club has been so successful, as it enables us to timetable various indoor and outdoor activities which suit the children that attend.

The price includes a healthy snack every day

Afterschool club at CTK has been very good so far. My daughter has been enjoying all the activities provided at the club and the staff have been very friendly.
- Parent B- year 3

My child loves playing football at after school club. He is very happy & always comes out with a smile on his face.
- Parent C- reception

To find out more about our breakfast club, King club or our termly enrichment club offer, please call the school office.
